Old Business-

Radio committee- Chief Norris updated group on the communications subcommittee for the Hampshire Hills communications project. Spoke about the assessments and how the determination was made between primary users and secondary users and the fees associated with this. Spoke about the purpose of these fees was for upkeep and maintenance and future purchases as needed for replacement. Chief Norris mentioned how each town for this user group has already received letters of explanation about the system and the proposed fees for FY 16. Group was reminded that we voted to have all the funds from the Goshen Tower go towards this project to help offset the costs associated with this communications equipment. Chief Norris and Chief Forgea are currently the two members representing HCFDA on this subcommittee and anyone who would like to take Chief Norris spot, please let him know.

Training Committee- MFA doing up a quote for the FF I program for delivery to County. WMFCA hosting a class in May "saving those who save other". Flyers were sent out to all Departments. Peer Support network trying to get out to each County for training on QRS. Purpose is to bring awareness about behavioral/mental challenges being faced by emergency first responders. Red card class in Hadley will begin in March. Much of the class is now on line.
