Dear Friend of Cooley Dickinson Hospital:

On behalf of Cooley Dickinson Hospital and the community we serve, thank you for your donation of \$50 in memory of Richard "Dick" Stromgren to the new Mass General Cancer Center at Cooley Dickinson Hospital. We are honored that families and friends choose to make tributary gifts to Cooley Dickinson. While all donations to the hospital are deeply appreciated, there are no gifts more meaningful than those we receive in memory of a loved one.

The Mass General Cancer Center at Cooley Dickinson Hospital optimizes the depth and breadth of services that will now be available to our community as a result of our affiliation with Massachusetts General Hospital. The marriage of Mass General Hospital's academic and research prowess with Cooley Dickinson's service excellence and community focus means that Pioneer Valley residents now have the opportunity to receive world-class cancer care right here at home. Thank you for choosing to honor Richard "Dick" Stromgren in such a meaningful way. We will be certain to inform Pip Stromgren of your thoughtful gift.

Sincerely,

Linda Medeiros
Director of Development Operations

P.S. Please retain this letter for your files as it is required by the Internal Revenue Service to substantiate your gift and that you have not received any goods or services from Cooley Dickinson Hospital in exchange for your contribution.
